Overall Monthly Downloads from Participating Publishers in the Australian Podcast Ranker

Includes all Measured Podcasts from all Participating Publishers

POWERED BY TRITON DIGITAL'S PODCAST METRICS

Triton Digital's Podcast Metrics measurement service is certified by the IAB Tech Lab as complying with Version 2.1 of the IAB Podcast Measurement Technical Guidelines.

ABOUT THE AUSTRALIAN PODCAST RANKER

The Australian Podcast Ranker lists the Top 100 podcasts from participating publishers that are consumed by listeners located in Australia.

The All-Australian Top 100 Category Ranker lists only the Top 100 podcasts commissioned by an Australian publisher, consumed by listeners located in Australia.

The Top 10 Publisher list ranks the top 10 participating publishers in Australia, consumed by listeners located in Australia. Additional publishers will join in future releases.

The Australian Podcast Ranker is based on a calendar month reporting period. The entities listed are ranked by Monthly Listeners in accordance with the latest IAB Podcast Technical Measurement Guidelines.

METRIC DEFINITIONS

- *Listeners* – A 'listener' is a single user who downloads content for either immediate or delayed consumption. Listeners are identified by a combination of IP address and user agent in accordance with the IAB filtering rules described in the IAB Podcast Measurement Technical Guidelines v2.1.
- *Downloads* – A 'download' is a unique file request that was downloaded. Downloads include complete file downloads, progressive downloads, as well as partial downloads in accordance with the IAB Podcast Measurement Technical Guidelines v2.1 filtering rules (i.e. spiders and bots, data centers, one-minute of content minimum download, etc.). This process filters multiple requests from the same IP address, user agent, episode and date.
- *Publisher* - An entity that represents a group of podcasts that it either commissions, produces itself or acts as the primary representative for that content in Australia.
- *Rank Change* –
 - "Debut" in the 'Rank Change' column indicates that the show is new to the report, making its debut for the first time in the last 13months.
 - "Return" indicates that the show has returned to the Top 100 after having not appeared in the previous reporting period(s).
